

Volunteer for Law Day

May 1, 2018

Celebrate Law Day by doing outreach in a middle school or high school and **encouraging students to develop their own informed opinions about current events, law, and justice.**

You can volunteer by yourself or with a team.

The Fifth Judicial Circuit Pro Bono Committee will help you connect with a social studies or history class in your area and will provide you with easy-to-use materials. **You will be able to choose from several different civics activities to do with the students.**

No prior training and only limited advance preparation is needed.

If you have any questions or would like to volunteer, please contact Angelica Wawrzynek of the Fifth Judicial Circuit Pro Bono Committee at wawrzynek@tapellalaw.com or 217-639-7800.
