

HOW TO HOST AN ILLINOIS FREE LEGAL ANSWERS CLINIC

A ready made pro bono opportunity at your office.

1. Schedule a time

We usually recommend the clinic last 1.5 - 2 hours.

2. Tell PILI

We can provide marketing and training materials to help you run your clinic.

3. Spread the word

Encourage attorney volunteers to register at il.freelegalanswers.org before the clinic date.

4. Gather and answer questions

Volunteers bring their laptops or tablets to logon to il.freelegalanswers.org and choose questions to answer. They can also partner up and work together.

5. Take a picture and post online

Make sure you tag PILI!
